Subject: OGM Role with Reclamation Activities, Kennecott Utah Copper Corporation (KUC),  
Bingham Canyon, M/035/002, Salt Lake County, Utah

Dear Mr. Kaiser:

The Division is aware that the yearly board presentation will occur in February 2008. Since a portion of that presentation is dedicated to the 2008 reclamation planned activities of which the Division has not had an opportunity to review, it is essential KUC and the Division have a meeting in the near future to discuss the 2008 reclamation activities so there is ample time for Division feedback and input.

Please refer to the Division's November 19, 2007 letter for additional detail surrounding this participatory role. A meeting must be scheduled in the very near future, with the week of January 7, 2008 preferred. To arrange the meeting, please contact Ms. Beth Ericksen at 801 538 5318 or myself at 801 538 5258.

Sincerely,

Susan M. White  
Mining Coordinator
